Wisdom for the Week

Kids don't remember what you try to teach them. They remember what you are.

One liners

- I'm afraid of elevators, so I take steps to avoid them.
- Our child has a great deal of willpower—and even more won't power.
- My mother was so surprised when I told her I was born again. She said she didn't feel a thing!
- People say I'm condescending. That means I talk down to people.
